## Contemporary Lavish Looks

**\*Ask Us About Moen's  
New Brushed Gold Finish!\***

The Cambium bathroom suite brings a **contemporary industrial aesthetic** to the space, inspired by active urban lifestyles and playful movements in this type of styling. **This lavish take on this look** is inspired by playfully bent metal forms and elegantly machined textures. **Cambium pairs these elevated motifs with a perfect balance of circular and squared forms to provide a bold statement in a wide range of bathroom environments.**
